

Leadership

A leader is not someone who's in charge of others, telling them what to do – that is a boss. A leader is someone who has both the inner and outer qualities needed to encourage and guide others into achieving more than they could alone. They take others along a pathway that leads to change and growth.

For more information please contact Frank Eames on 0417 776 800

In part one of the course we will examine and help develop those inner qualities necessary to make you a good leader.

In part two we will engage with the skills needed to lead a group of people.

part one

part two
